

STOP THE TOXIC WELLS

You're Coming to Austin on November 19th Right?

You Can't Afford To?.....*You Can't Afford Not To!!!*

Call or email me *right now* to reserve your seat(s) on the bus for the final hearing to protect your water, your home values, and the health and safety of you and your loved ones. It is **so important**.... really it's *imperative* for us to fill 4 buses (minimum) for the final hearing before the TCEQ (Texas Commission on Environmental Quality) Commissioners in Austin on November 19th 2008 @ 1pm. These commissioners have the final say on the Texcom permits to operate 4 commercial class 1 injection wells in our area. Please keep in mind there are currently **ONLY 30** commercial class 1 injection wells in **ALL of the USA** and we will have 4 right here if these permits pass. This is not a big deal....it is a **HUGE** deal and you **MUST** be involved.

Think about when you lost your water during hurricane Ike.....that was for a short period of time. Now, imagine that same water contaminated!!!.....and now it is lost **FOREVER!**

There is only one choice....you MUST attend this hearing.

Buses will be leaving from two locations RSVP now.

1. **Conroe** – Lone Star Convention Center
9055 FM 1484
Conroe, TX 77303

2. **Woodlands** - Kroger's @ Alden Bridge (Research & Kuykendahl)

Buses will board @ 8:30 am and leave promptly @ 9:00 am and will be returning at approx 8-9 pm (maybe earlier and could be later depending on when hearing completes). Please bring a sack lunch and snacks as time may not permit for stopping to get food or drinks. However, the buses will have bathroom facilities on them.

To RSVP call Jennifer @ 936-499-7173 or email your RSVP to jreal1@peoplepc.com (that's jreal and then the number 1 @ peoplepc.com or just reply to this email.)

If you would like to attend and not ride the bus that is okay to. Please just let us know so we can give the TCEQ a head count to try and accommodate us.

******IF YOU RSVP FOR THE SEPT. HEARING THAT WAS POSTPONED
PLEASE DUE SO AGAIN FOR THIS DATE.....Thanks!
STOP THE TOXIC WELLS**
